

Coniston and Crake Valley News

March 2026 www.conistonandcrakechurches.co.uk

One of the benches that has stood at the head of Coniston Water since the 1970s was destroyed in the winter storms.

This is in a lovely position, and the Parish Council would like to replace it, however, the replacement cost will be in excess of £1,000. Sponsoring the replacement of this bench would be a great opportunity to commemorate the life of a family member or friend in the most beautiful of settings.

If you are interested in sponsorship please contact Michael Dearnley, Parish Clerk on 015394 41442 or via email on parish@conistonparishcouncil.gov.uk

Pastoral Letter - Rev^d David Bickersteth

Christianity Lite and Watchful Driving

Lent is well upon us, beginning last month on Ash Wednesday. The word 'Lent' comes from the old English for 'Spring' and obviously refers to this time of the year. But for the Christian faith - at least the ancient denominations - it's a practice of forty days of fasting before Easter. It was first created as a discipline at the Council of Nicea in 325 AD and made mandatory at the Council on Loeadicea in 363. St Augustine of Hippo, (354-430) declared it a sin not to fast!

Well for most of us it's a time to give up chocs and booze for the benefit of our physical wellbeing! Moses and Elijah spent 40 days praying and without food as they engaged with the Lord, as of course, did Jesus immediately following his baptism: a time of trial and temptation by the satan, which he overcame.

For early Christians it was a period when baptismal candidates would prepare for their initiation into the faith, but fasting was probably just the last week – Holy Week, before their early dawn baptisms on Easter day.

Jesus told his followers to fast in secret – not to make a public declaration of their piety. But prayer and fasting have been a part of the Christian life from the beginning and dates to ancient Judaism.

This begs the question for the disciples of Jesus today, how seriously do we take our commitment, for the Apostle Paul taught clearly, we are saved not by works, but by grace through faith (Ephesians 2: 8-9).

Is there need for such a discipline as a Lenten fast? Well personally I don't think it's necessary for salvation – but discipline is good for the body as well as the soul, again Paul said as much in 1 Corinthians 9:27. Indeed he talks about being disqualified for the prize if having preached to others, he fails to discipline his body.

Discipline is a concept that often seems out of fashion these days. I certainly knew and indeed felt discipline as a schoolboy! Today as I write, I'm also facing discipline for the first time in my long driving career (1967). I'm facing a drivers awareness training course having been 'snapped' by the Holmrook speed camera driving at 40 in a 30. Neither my wife nor I, realised it was a 30 zone – but that's no excuse, I've been collared and must pay the price!

Happily, the price for failing the 100% standards of God's Holiness has been paid by a loving Saviour. But out of respect and appreciation, I follow him in faith and the practice of worship, prayer, Bible study and Holy Communion.

As I have opted for driver awareness training for my speeding penalty, so long ago – about the time I passed my driving test as a teenager, so I opted to follow Jesus. Lent for me is a time for study (we run Lent study groups) and a time to practice some discipline over habits – to show my body I'm in control – not my greed and passions.

Safe motoring and Holy living this Lent, is my agenda – what's yours?

David

Grizedale Marshal Opportunity

We are looking to start a new parkrun event at Grizedale and would like to ask anyone interested in volunteering to marshal to please get in touch.

You do not need to be a runner to get involved and you do not need to commit to every Saturday, in fact the more volunteers who express an interest the more flexible the rota. The hope is that we will be able to start with a core of volunteers and develop this over time. If you would like more information on the various roles I will be happy to provide more details. My email is rachael.morgan@forestryengland.uk

Press Statement: Fight to Save Coniston GP Surgery Continues

Patients in Coniston have reacted with dismay to news that no applicants have come forward to take on the local GP surgery vacancy. For many residents, this raises the alarming prospect of losing vital, accessible medical care in the village.

The Coniston Patient Group has been campaigning since 2014 to protect local GP services. In recent months the community has stepped up its efforts, producing a recruitment video and gathering a petition of over 1,000 signatures in support of keeping the surgery open. This groundswell of local backing underlines how essential the service is to people of all ages in the area.

The group believes the Integrated Care Board (ICB) must urgently extend and widen the search for a replacement provider. Allowing the service to disappear would create a cliff edge in patient care for Coniston and the surrounding rural communities, many of whom face long and difficult journeys to alternative surgeries.

An ICB-commissioned report published in **February 2025** itself recognised the vital need for medical services in Coniston. Closing the surgery would contradict that evidence and leave vulnerable patients at risk.

There is also serious concern that the timing of the recruitment process undermined its success. Releasing the contract on 23 December, immediately before Christmas, is likely to have severely limited interest from potential applicants.

The Coniston Patient Group is calling on the ICB to:

- extend the recruitment period,
- actively seek new providers, and
- guarantee that a GP service is retained within the village.

“This community has fought for over a decade to keep its surgery,” the Chair of the Coniston Patient Group said. “We have demonstrated overwhelming local support and a clear clinical need. We will not accept the loss of our GP service without a renewed and determined effort to find a provider. Coniston deserves sustainable, local patient care – and we will fight on to secure it.”

(Statement issued by the Coniston Patient Group 07/02/2026)

Christians Together in Coniston - Annual Report 2025

Who are we? Members of all the churches in Coniston representing the Methodist Chapel, St. Andrew’s and Sacred Heart Churches. The committee consists of a volunteer from each church, and also includes the Anglican Vicar (Brian) and Methodist Minister (Grace).

What do we do? We look together for ways to support the community in the light of Christ.

There are a few things that we have chosen to do on an ongoing basis:

- We pray together.
- We study together, with a special focus for Lent and Advent.
- We worship together when there is a 5 Sunday month, usually on the 5th Sunday.
- We celebrate Easter sunrise together on the lake shore by Blue Bird café.
- We support the work of Chris Clark, Children, Youth and Community Worker.
- We support Love Coniston, a partnership between the churches, Parish Council and other organisations such as WI as relevant.
- We fund Christingle (generous souls do the ordering and put it together).
- We donate a Remembrance Day Wreath.
- We support Churches Together in Cumbria.

What’s different in 2025?

Beginning in the autumn of 2025, *Open the Book* was restarted in the Primary School. This is drama-based story telling delivered by amateurs to great acclaim by the children (and staff). A substantial gift enabled nine volunteers to receive materials from the Bible Society along with training to support the project. It is a lot of fun for the volunteers and the children are quick to respond to the refreshing content.

The Community Lunch Team

Coniston Children, Youth and Community Worker

Chris Clark has been in Coniston nearly four years now as the Children, Youth and Community worker under the Love Coniston banner, helping with a variety of community events such as the winter lunch clubs, co-leading the community youth club with the Sports and Social centre, and leading activities in schools. He is keen to ensure the work is as useful to the whole community as

possible, and has been visiting every house in Coniston to ask what's going well in the village and if there are any gaps that Love Coniston could be helping with.

He is almost finished the project and will soon begin collating the results, but there is still time to offer any ideas – do drop him a line (ConistonYCW@gmail.com or **07594 775046**). The four questions he has been asking are below.

Lastly, a huge thanks from Chris for all the contributions already given. Watch this space!

- What's going well in the village, or in village life?
- Is there anything else Love Coniston, or Christians Together, could do?
- The Parish Council are building a list of residents for wellbeing checks in times of emergency, such as Storm Arwen. Would you like to be included? Is there anything you'd need?
- Do you have a smoke alarm fitted? If not, would you like Cumbria Fire & Rescue to contact you about installation of a free one?

Colton Parish Council News March 2026

Join us! Colton Parish Council has vacancies for 4 Councillors. We urgently need people from the centre and east side of our parish, including Bouth, Finsthwaite, Lakeside and the surrounding areas to join us so there are Councillors who can speak up for these communities. Please get in touch if you can help. Email clerk@coltonparishcouncil.gov.uk Please note, this the new email address; our old ones are out of action so please update your contacts.

Good News!

We are delighted that the organisers of the Bluebird Festival taking place in Coniston in May have listened to our concerns about the impact on the east shore of Coniston and are working with local partners to put road closures in place (with permitted access for essential users).

We have secured a grant to help us carry out essential work at Bouth Village Playground. We will be working with the Bouth Village Green Committee to make sure the play equipment is updated. Did you know Bouth Village Playground holds a special place in the history of playgrounds? It was designed by pioneer of children's play areas, Mary Mitchell, and is one of the few remaining examples of her work.

Councillor Kevin Wiley attended the Fibrus Hyperfast drop in session in Hawkshead on our behalf. We were pleased to hear that Fibrus intend to improve communications, including publishing local articles to help people find out more. If you have further queries you can also contact them: <https://hyperfastgb.com> or see <https://www.facebook.com/Hyperfastgb> To keep up to date with road closures see <https://one-network>.

Mother's Union Report - 2026 January

Coniston Mother's Union members are celebrating two special birthdays this year. The first is the 150th birthday of the founding of the Mother's Union by Mary Sumner, a vicar's wife living in Old Alresford, Hampshire. Mrs Margaret Barrett of Holywath formed the Coniston and Trover branch in 1906 with membership reaching 35 members in its heyday.

Mother's Union is a worldwide organisation with over 4 million members, now including men in 84 countries. They work together to free violence, poverty and injustice with kindness, courage and compassionate action.

The 150th celebrations include a service in St. Pauls Cathedral London, while the diocese are holding events at Round Thorn Hotel, Penrith, Songs of Praise Services in various areas. A Family weekend with events at Rydal Hall, **17th -19th July**.

At their January meeting Coniston members began with their annual membership service where they welcomed a new member. They then planned this year's programme which includes outings, Bible study, a craft session and a Choral Evensong with the Bishop of Carlisle to celebrate their 120th birthday on June 25th. Officials, children and grandchildren of former members will be invited so keep the date free, all included.

The next meeting is on **February 26th**, all are welcome.

Egton WI

Our February meeting was one that was a little different for us but very entertaining. We had a good turn out of members and after our usual business part of the evening our speaker took over. It was a first time WI talk for *Helen Bradford* who is a local authoress living in Ulverston. Apart from telling us a little about herself and her job in "Wellness and mental health" she got us all involved with writing a story about our day and how we should look after ourselves in life. Women especially seem to put themselves last on a list of priorities and she encouraged us to praise ourselves a little more. It provoked an interesting discussion amongst our members who were more forthcoming than usual! Helen hasn't been writing for long but had her first two books available to buy and her third and fourth books are already in the pipeline. We wish her all the best with these.

Apart from our usual meetings we have several county run events to look forward to. There will be an "Inspiring Young Women" event in Greenodd village hall later this month and March will see a county lunch at Grange and our Annual Council meeting in Kendal. Locally we have one of our tea parties planned in the near future so watch this space. You may also have spotted some of us out on our annual litter pick on **Saturday 21st**. As I write this article I am wondering what the weather has in store for that day!

We are always delighted to welcome visitors/prospective new members so why not come along to our next meeting ladies when *Claire McKeever* from "Pure

Lakes" (natural handmade skin products) will be our speaker on **Tuesday 10th March** in Greenodd village hall at 7.30 pm.

Parish Prayer Diary March 2026

1st: Sunday, the first day of the week

By discipline of Lent we may enter into the mystery of Christ's sufferings and by following the way of Jesus come to share His glory.

2nd: Pray for areas of on-going armed conflict; pray also for the diplomats and peacemakers striving to negotiate just resolutions that end hostilities.

3rd: Pray those struggling with an eating disorder will get the help they need.

4th: Pray for Coniston & Crake Benefice Team meeting this afternoon.

5th: Pray for the Royal Family.

6th: On this World Day of Prayer, join Christians around the world praying that all who are carrying heavy burdens, will find the rest promised by Jesus "I will give you rest: Come" (*Matthew 11:28-30*).

7th: Pray for all who work within the Probation Service supervising offenders serving community sentences or released into the community from prison.

8th: Sunday, the first day of the week

May our loving, Eternal God, grant us insight to discern His perfect will for us, that we give up what harms us and seek the perfection we are promised in Jesus Christ our Lord.

9th: Pray the Commonwealth Day theme *“Unlocking opportunities together....”* will deliver shared, fair and lasting prosperity for all the communities, small and vast, within the Commonwealth.

10th: Pray for Christians in Somali, having to practise their faith in secret, isolated from other secret believers. Pray for the underground Church in Somalia that is doubly traumatised, being part of the community facing national lawlessness and anarchy, and also experiencing the trauma of persecution because of their faith in the Lord Jesus.

11th: Pray for the Open the Book sessions at Coniston CE Primary School.

12th: Pray for university students experiencing mental health difficulties because of academic, financial or social pressures.

13th: Pray for our local General Practitioners, and their medical and administrative support staff.

14th: Pray for the Christian charity *thirtyone:eight* as it equips organisations with the safeguarding tools need to protect vulnerable people.

15th: Sunday, the first day of the week

As we give thanks for those who nurtured us from childhood, we pray our Father God, whose love is strong and tender, will watch over us and hold us all the days of our lives.

16th: Pray for organisations helping poor communities to access clean, safe drinking water and decent sanitation.

17th: Pray for the ministry of Rydal Hall, the Diocesan retreat house in Ambleside.

18th: Pray for those who administer the law, that they may uphold justice and truth.

19th: Pray for Parish Councillors as they work for the good of our communities.

20th: Pray for the various Red Nose Day events raising donations to tackle homelessness, hunger, abuse and mental health at home and abroad.

21st: Pray for today's Coniston 14 Road Race; its organisers, stewards and participants.

22nd: Sunday, the first day of the week

Jesus taught us that what we do for the least of our brothers and sisters in Christ we do also for Him. Pray for the will to be the servant of others, as He was the servant of all and gave up His life for us, but is alive and reigns, now and forever.

23rd: Pray for those wearied by insomnia because of anxiety, illness or constantly changing work patterns.

24th: Pray for the children of Penny Bridge Academy attending the Experience Easter sessions at St Mary's church today and tomorrow.

25th: Pray for Sarah Mullally's Installation at Canterbury Cathedral today, which marks the symbolic start of the Archbishop of Canterbury's public ministry in the Church of England and across the Anglican Communion.

26th: Pray for Christians in the entertainment industry and professional sport.

27th: Pray for pupils, teaching and support staff as Spring Term ends.

28th: Pray for all who live and work in the communities of Bandrake Head; Blawith and Bouth.

29th: Sunday, the first day of the week

Pray our true and humble King, hailed by the crowd as Messiah, may grant us the faith to know Him and truly love Him and that we may be found beside Him on the way of the cross, which is the path of glory.

30th: At the beginning of Holy Week, pray for a fresh awareness of all the Jesus endured on our behalf, because He loves us.

31st: Pray for our local farming community, especially during lambing time.

THANK YOU + HELP NEEDED

At the Church service in Coniston on Sunday 22nd March—Passion Sunday—we will be thanking Nick Monk and Linda Inman as churchwardens of St. Andrew's, Coniston and St. Luke's, Torver. This is after a combined total number of years of service that are simply too many to make known in public! Please do join us as we publicly thank them both for their love and service down the years.

After the morning service we will be holding our APCM, the annual meeting of the church at 12 noon. Please do think about coming along and/or joining our electoral roll as a member of the church. There are electoral forms available to join.

At the APCM Nick and Linda will be standing down as churchwardens and we are looking for volunteers to help with the tasks that they currently undertake. If you could help with any of the following on a rota basis then that would be an enormous help as we look to keep St. Andrew's church open and running:

Daily	Opening and closing the church; checking the lights; sweeping the porch; checking the lavatory; checking the kitchen; checking the bins; tidying the food bank shelves.
Monthly	Checking and reading the electricity, gas, and water; checking the oil for the heating boiler; checking the churchyard for unregistered headstones.
Yearly	Checking the fire extinguishers; checking the installation of the Christmas lights; updating the advertising board at the main gate.
Occasional	Acting as verger/helper for baptisms, weddings, and funerals; changing the cloths on the altar for different church seasons; ensuring altar and communion cloths are washed and ironed.

Please do speak to Nick or Linda, or the Revd. Brian Streeter on **07505 048736**

EASTER SPRING CLEAN

Before the Easter Sunday service we will be having a thorough Spring clean of St. Andrew's church building. As you can imagine this is quite some task, and so please do come and join us to help clean and decorate the Church in preparation for Easter.

This will be on **Thursday 2nd April, 9.00am** onwards.

CHURCHYARD TENDER

The Parochial Church Council (PCC) is tendering for the maintenance work for the churchyards of Coniston and Torver. This involves regular grass cutting during the growing seasons and occasional strimming to tidy up around the headstones and borders.

If you are interested in tendering for this work then please do contact the vicar, the Revd. Brian Streeter on **07505 048736**

APPEARANCE AND REALITY: WHAT SHOULD THE LAKE DISTRICT LOOK LIKE?

We live in a park. But what is a park, and what should this one look like? Some will say it should look beautiful, or natural, well cared for, or left to the wild. Some think it should look the way it's always looked, others that we should move with the times, still others that there's no way, in particular, that it should look.

We will talk more about both the questions and the answers. And we should take note of what William Wordsworth and Beatrix Potter, the National Trust and the LDNPA, farmers and rewilders have had to say

A discussion led by Chris Belshaw (The Open University and The University of York)

We are very pleased to welcome Joshua Burnell, who makes retro pop-rock for the modern world. His music takes on chameleon dimensions with alt-folk, glam rock and classical influences - musics of the past which he skilfully brings to the present
